

Don't Spend Your Strength in Saving the Price of a HOOSIER

Women so often feel that it is economy to do without labor-saving equipment that they try to save the small price of a Hoosier. When a few dollars thus invested will systematize kitchen work so that it can be done easily and in half the time.

Space for 400 Articles Within Arm's Reach

A Centralized Storehouse

The picture above shows how the scientific arrangement of the Hoosier makes it a real helper. Storage space for 400 articles above and below. There is plenty of unhampered room above and around the aluminum (or porcelain) work-table.

There are no useless little partitions to chop up the space and leave no room for work. Your cabinet must have a big table space to work on. The Hoosier gives it.

Come and see these six exclusive Hoosier features:

- 1—The all-metal glass front flour bin.
- 2—The gear-driven shaker flour sifter, which makes flour light and fluffy.
- 3—Scientific arrangement—articles needed most frequently easiest reached.
- 4—Revolving caster (shown in center of illustration).
- 5—The ingenious, big-capacity sugar bin—holds more than twice as much as other bins.
- 6—Finally, doors with a handy rack for small utensils, or rolling doors.

Prices and Terms

There are over 1,000,000 Hoosier Cabinets in use. Enormous factory output makes our low prices, which now range from \$20.85 to \$39.00, possible.

Have the Hoosier delivered at once by paying only \$3.00! You may make payments at the rate of \$1.00 per week, without extra cost or interest.

Delightful to Work At the Hoosier

You will find it delightful to sit down at the Hoosier and do your cooking comfortably. It will help you get good meals quickly. It will help you tidy up in just a few moments after meals.

The Hoosier saves countless trips to the cellar, to the sink, pantry and cupboard, and regardless of the size of space of your kitchen you will find a Hoosier model that fits it, at the price you can easily afford.

Have a demonstration. At least come and see the Hoosier and its exclusive work-saving features. No obligation incurred if you don't want to buy now. But at least learn why over a million women can't do without a Hoosier.
